Payroll Information

Welcome to our payroll services. This service allows you to easily manage your companies payroll and associated government reporting.

Enclosed we have attached a payroll setup/change document. Please remit this form to our office with any new employee's or changes to existing employee's.

You will receive the paystub for the employee payroll run within 48 hours of supplying the payroll information to our office. You can supply this information to us by facsimile, email or telephone. Your paystubs will be delivered by either facsimile or regular mail.

When you receive the paystub, detach and retain the bottom portion of each stub for your records and provide the cheque stub portion along with the company cheque for the net payroll amount.

Monthly, you will receive a Canada Customs and Revenue Agency payroll remittance (Green colored remittance form). When you receive this document, contact our office and we will in turn provide the associated remittance information. When you receive this information, simply remit the required payment to CCRA prior to the 15th day following the end of the month.

You will also periodically receive your Workers Compensation remittance (Blue and White form). When you receive this document, contact our office and we will in turn provide the associated remittance information. When you receive this information, simply remit the required payment to WCB prior to the due date noted on the document.
